

HIGH DENSITY POLYETHYLENE HYDRO EXCAVATION TUBES

- Lasts 2-3 times longer than aluminum
- Reduced noise levels when vacuuming solids
- Sleeker tube-to-tube connections
- Plastic has a higher resistance to electricity conduction than aluminum (better around water & electrical connections)

- FLAT FLANGE
- RING LOCK
- CUFFS

Product Number	Product	Length
10000525	6" Flat Flange Reduced to 4" OD Dig Tube	6' Long
10000526	6" Flat Flange Dig Tube	6' Long
10000527	6" Flat Flange Extension Tube	6' Long
10000528	8" Flat Flange Dig Tube	6' Long
10000530	8" Flat Flange Extension Tube	6' Long

Product Number	Product	Length
10000531	6" Ring Lock Reduced to 4" OD Dig Tube	6' Long
10000532	6" Ring Lock Dig Tube	6' Long
10000533	6" Ring Lock Extension Tube	6' Long
10000534	8" Ring Lock Reduced to 6" Dig Tube	6' Long
10000535	8" Ring Lock Dig Tube	6' Long
10000536	8" Ring Lock Extension Tube	6' Long

Product Number	Product
10000537	4" Dig Tube Replacement Cuff
10000538	6" Dig Tube Replacement Cuff
10000539	8" Dig Tube Replacement Cuff
